Paid family leave allows workers to receive pay while taking time off from work to care for a family member with a health condition or after the birth or adoption of a child. Do you support or oppose the state government requiring employers to provide paid family leave to workers with the cost of the program paid by state tax dollars?

Paid family leave allows workers to receive pay while taking time off from work to care for a family member with a health condition or after the birth or adoption of a child. Do you support or oppose the state government requiring employers to provide paid family leave to workers with the cost of the program paid by workers and employers?
